[W OCDSB 019 Acceptable Use of Technology Agreement-Int. Sr.doc](#)

Students Must

- securely store devices in their backpacks between the hours of 8:55am-3:25pm
- only use personal devices when a staff member requires them to use it to support learning
- communicate (text message, phone call, social media) with family (i.e., parents) only with permission and under the supervision of a staff member
- keep passwords and accounts private
- use OCDSB Google Apps for Education accounts

Students Must Not

- use personal device use on the school yard before school
- use personal devices during recess
- use devices in washrooms
- capture video, audio, or images, without consent
- wear headphones in hallways, shared spaces, or on the school yard
- use personal devices in shared spaces
- post to social media images, video, or audio captured at school or on school trips

Failure to meet the expectations noted here will at least result in:

First offense:	A verbal reminder to the student, discussion with staff
Second offense:	Phone call to parents/guardians-warning that third time will result in being stored at the office for a period of 5 days.
Third offense:	Student turns in technology at the office everyday for 5 school days and a discussion with parents and administration is initiated to discuss next steps.
